

Fisher College of Business Usage Policy for Qualtrics Software

The Fisher College of Business (FCoB) offers Fisher students, faculty, and staff the opportunity to use Qualtrics software for creating and distributing surveys. The licensing agreement for proper use of this software requires the following rules:

- The Qualtrics survey software is to be used for educational purposes only!
- Each user is responsible for building and updating his/her surveys and regularly backing up any related data.

Any user found to be in violation of these policies may have their Qualtrics account temporarily or permanently disabled. Illegal acts involving the use of Qualtrics software may also subject violators to prosecution by local, state and federal authorities.

By completing the following form, you are declaring that you have read and understand the above policy.

If you have any questions or comments regarding the FCoB usage policy for Qualtrics software, please contact us at helpdesk@cob.osu.edu.
