

Carmen has two distinct display options for viewing course grades:

- 1) Your Personal Display Options
- 2) The Student's Display Options

To access these controls, select the Grades link on your Carmen Menu.

<p>Then select Grades Settings from the grades area menu (found in the upper left of your window).</p>	
<p>To set how you see grades in your Carmen grade book, select the Personal Display Options link.</p>	
<p>You can then select how you see grades, choosing what user details and what grade details you want to see.</p> <p>IMPORTANT: This is your personal view of the grades and others cannot see it.</p>	<p>Managing View Display Options</p> <p>User Details: <input checked="" type="checkbox"/> Username ? <input checked="" type="checkbox"/> Org Defined ID ? <input checked="" type="checkbox"/> Email ?</p> <p>Grade Details: <input type="checkbox"/> Points grade ? <input checked="" type="checkbox"/> Grade scheme symbol ? <input checked="" type="checkbox"/> Grade scheme color ?</p> <p>* Characters Displayed: Number of characters to display for</p> <p>* Repeat Users Details: Repeat user details every <input type="text" value="5"/> ite</p> <p>* Repeat Grade Item Details: Repeat grade item details every <input type="text" value="10"/></p> <p>Repeat Final Grades: <input type="checkbox"/> Repeat calculated final grade at <input type="checkbox"/> Repeat adjusted final grade at tl</p>
<p>To select what students see, select Org Unit Display Options. (Org Unit = course)</p>	

For the Org Unit or student view, you can select only the grade details that they see.
