ADMINISTRATIVE APPOINTMENTS & ACCOMPLISHMENTS

Associate Dean of Access, Engagement and Outreach (August 2024 – present)

Leads the college's initiatives to enhance student success and create meaningful community impact through strategic collaborations with our alumni, corporate partners and community organizations.

Assistant Dean and Chief Diversity Officer (August 2019 – 2024)

Responsible for developing and leading the diversity, inclusion, and equity strategic priorities at the college

Helped facilitate DEI funding growth of over \$2 million dollars raised in the past four years

Helped facilitate the creation of two new college endowments in support of inclusive excellence

Led the development of the new college-wide Fisher Inclusion Champions Program (FICP) in 2021, which promotes the intentional engagement in ongoing training and supportive activities at Fisher that promotes a more inclusive and equitable experience for all Fisher community members.

Launched new annual alumni engagement programming in 2021 (Alumni of Color Network Weekend and Women's Leadership Symposium) with each program doubling attendance in three years

Developed new Executive Education certificate offering in Inclusive Leadership

Revamped graduate DEI course offering

Established an ongoing partnership with the City of Columbus to offer annual week-long precollegiate summer programming to Columbus City School high school students (annual grant funding of \$300,000)

Co-created a new Fisher Global Scholars Program that is fully underwritten by alumni dollars (the first cohort of students participated in consulting projects in Cape Town, South Africa in May 2024)

Facilitated the college-wide expansion of the award-winning Project THRIVE initiative that is currently financially underwritten by 15 fortune 500 companies.

Academic Director—Huntington Inclusive Leadership Executive Certificate Program (April 2023 – present)

Helped design custom, multi-cohort Executive Education Inclusive Leadership certificate program for Huntington Bank (for its senior and executive leaders within its organization)

Academic Director—Accounting & MIS Project THRIVE (August 2016 – 2019)

Created the award-winning Project THRIVE program that supports Fisher’s accounting and management information systems students with scholarships, book support, business attire, and internship and career opportunities, among other things. Helped facilitate the creation of a departmental endowment in support of this program.
