PRAISE FROM PAST ATTENDEES

“I enjoy and appreciate the collaborative environment of the CIO Solutions Gallery, an executive assembly that engages quickly into meaningful and spirited discussion.”

Kathleen Starkoff
CTO and Group Vice President
Limited Brands

“The CIO Solutions Gallery event, is not really an ‘event...it is an ‘opportunity.’ There are not many places where you are able to share learned experiences among your peers, and do so in a safe environment that encourages open and honest dialogue. Here, all participants are truly looking to assist each other by sharing their approaches in addressing the same issues and challenges.”

Bob Schwartz
Vice President and Chief Information Officer
