for Honors Students in Fisher College of Business

CONTACT YOUR ACADEMIC ADVISER EVERY QUARTER TO LEARN OF ANY CHANGES TO THIS GEC LIST!

This document is to be used as a supplement to FCOB General Education Curriculum (GEC) Courses, which outlines the General Education Curriculum for FCOB students in more detail.

Course options in the GEC categories listed below may be used as enrichment courses and to fulfill the honors course requirement for honors status. Note: Students may also select appropriate upper division (500 or 600 level) courses to fulfill GEC course requirements. Unless they are listed below, these courses must be approved by an honors adviser prior to enrollment. Some of the upper division courses require specific prerequisites; be sure to check the Course Offerings Bulletin. All honors students should commit to taking the most challenging possible courses that fit their backgrounds and interests.
